

## Commemorative Brick Program

A fast and easy way to become a financial supporter of the Juno Beach Centre is to sponsor a Commemorative Titanium Brick for installation at the Centre. Your brick can pay tribute to service personnel, a veteran, or fallen soldier (**Veteran Brick**), or be in the name of the donor (**Donor Brick**), or purchased for a group, organization, or company (**Group Brick**).

**Veteran Bricks** can include the person's rank, name, decorations, unit, dates of service, as well as a comment regarding their service, such as "Italian Campaign", "Battle of the Atlantic", or "D-Day Veteran".

**Donor Bricks** can include the donor's name with optional organization information, a message from the donor, city or province of residence.

New Commemorative Bricks are added to the Juno Beach Centre Memorial Kiosks located in front of the Centre in Normandy, France twice per year in the spring and fall.

**The suggested donation for Veteran and Donor Commemorative Bricks, including titanium engraving, shipping, and installation, is \$500 CAD. Wooden replicas of these bricks, made from Canadian Maple, are available for an additional \$50 each, including engraving and shipping.\***

Please complete the donation form below, select the type of brick you wish to sponsor, and include the appropriate total amount.

If you have any questions regarding the Commemorative Brick program, or need help with the inscription, contact the **Juno Beach Centre Association** at 1-877-828-JUNO or by email at [jbca@junobeach.org](mailto:jbca@junobeach.org).

### Total amount donated :

\$

A receipt for tax purposes will be issued for the full donation amount.
